MARKETING BREAKDOWN

Ring Twice for Miranda is a tragi-comedy set in difficult times, roiled by economic upheavals. A man known only as **Sir** rules with a vengeance, but it's **Miranda**, a chambermaid, who adds intrigue to his life. When **Elliot**, the butler, is fired, she flees with him in defiance onto the frightening streets. All must soon make critical decisions with imperfect facts to guide them, since little in their world is as it appears.

Written by **Alan Hruska**
